**Proposed Permit Decision/Draft Permit**

DHEC is proposing to modify the groundwater remedial alternative for Area of Concern (AOC) F and AOC H at Shaw AFB. A draft permit modification has been written for this proposal. The modification was public noticed on December 22, 2010.

**Purpose of the Meeting/Hearing**

DHEC is holding a public meeting **and** public hearing due to public interest in Shaw AFB. The purpose of the **public meeting** is for DHEC to explain the modification and answer questions from interested citizens. The purpose of the **public hearing** is to have comments about the modification formally recorded. The meeting will begin at 6:30 p.m., immediately followed by the hearing. Oral and written comments are welcome.

**Extended Comment Period**

DHEC has extended the comment period on the draft permit modification until **March 28, 2011**. The draft permit may be viewed by calling either of the DHEC offices listed below or on our Website at [www.scdhec.gov/lwm/public\\_notice.asp](http://www.scdhec.gov/lwm/public_notice.asp).
